

BARRIER JACKET

MEASUREMENTS REQUIREMENTS

At Northern Flags we are specialists in manufacturing bespoke Barrier Jackets and can make them to suit any size barrier. All we need from you are the dimensions of your barrier shown in the diagram below Length (excluding hooks) and height (excluding legs) and the diameter of the tubing

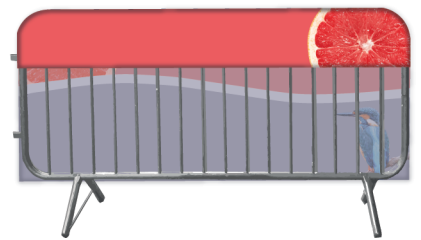

BARRIER JACKET VARIATIONS

Standard Barrier Jacket with velcro on the drop edges

Poncho Barrier Jacket with eyelets on bottom

Spectator Barrier Jacket with eyelets on bottom

KEY INFORMATION

Barrier Jackets are a great addition for any event where maximum brand exposure is the key. They are most commonly used at festivals, concerts, sporting events and nightclubs plus many other public events.
