

# Retail Social Distancing

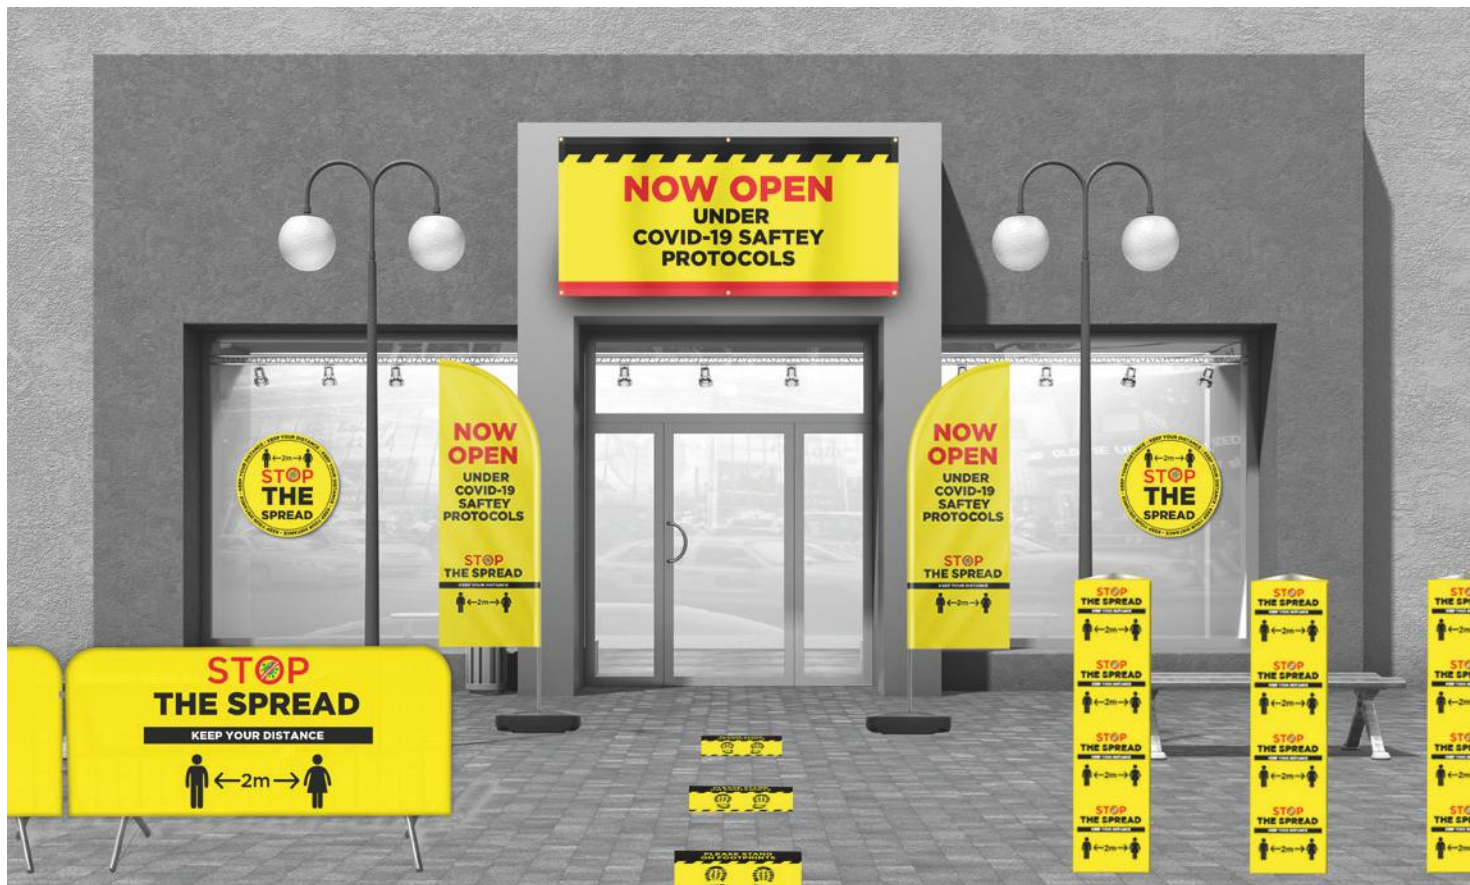

## COVID-19 Solutions

Preparing to Reopen edition

# OUTSIDE SIGNAGE

Before entering the store, it's important that both customers and employees are aware of social distancing protocols. Display clear and informative messaging on a range of print solutions.

# CLICK AND COLLECT

Although not all customers will be entering the store, they still need to be aware of social distancing protocols. Reinforce these messages with bright, easy-to-understand signage that will also help to protect your staff.

# PARKING AREA

Before entering the store, it's important that both customers and employees are aware of social distancing protocols. Display clear and informative messaging on a range of print solutions.

# ENTRANCE AREA

To protect your customers and employees as much as possible, you'll want to ensure they are aware of social distancing protocols and have the option of mobile sanitisation.

# AISLES

Certain areas of your store will need special precautions putting in place. Reinforce these messages with bright, easy-to-understand signage.

# TILL AREA

Your tills are where employees and customers interact the most and you will need special precautions putting in place. Reinforce these messages with bright, easy-to-understand signage that also protects your staff.

# STAFF SOCIAL AREA

There may be areas in use where employees could come into closer proximity with each other. Minimise risk and stop the spread with simple messages on a variety of print solutions.
