INSIDE LIFT & STAIRWELLS

Certain areas of your building will need special precautions putting in place. Reinforce these messages with bright, easy-to-understand signage.

STAIRWELLS

There may be areas in use where members, staff and or visitors could come into closer proximity with each other. Minimise risk and stop the spread with simple messages on a variety of print solutions.

CHANGING ROOMS

There are areas of your building, once open, in which you will need to pay particular care, in order to have the correct sanitising and safety solutions in place.

PITCH SIDE

Social distancing precautions don't end when the sport begins. The pitch or area of play is where people can come into closer contact; so clear, visible signage is a must.
