FEATHER FLAG BASES AND ACCESSORIES

Ground Spike   AVE607

Our ground spike is stress-free to install and is great for soft ground and grass for any type of outdoor event.

Ground Plug   AVE605

Suitable for loose ground such as sand or snow, and easy to install. Our Ground Plug is also ideal for any of our flag sizes.

Car Forecourt Base   FLP450

Perfect for car forecourt's - add company branding with ease. Solid heavy duty base developed for UK weather!

Cross Base   AVE603

Our Cross Base is perfect for the single sided feather flags - up to 3.2m in size.
Water Ring   AVEE603

We recommend adding a water ring to your cross bases to add stability to them.

Black Fillable Base   AVE608

Similar to our Heavy Duty Base, but more cost effective. A popular choice for larger, double sided flags at outdoor events.

Ground Plate   AVE606

The 8kg Ground Plate is most suitable for indoor use - we would recommend these bases for our Standard and Teardrop flags.

Heavy Duty Cross Base AVE604

Our Heavy Duty Cross Base is perfect for a more sturdier solution than the standard Cross Base.

Carry Bag   AVE610

Measuring 130cm long, our carry bags are the perfect size for transporting your feather flag from event to event.
BACKPACK FLAGS

"A unique walking advertisement to promote your brand in large crowds"
FEATURES

- Specially designed to suit Standard, Teardrop or Urban backpack flags
